ZIGLIN SIGNS & BIOSTAR LIGHTING

Ziglin Signs is a full-service lighting provider and upgrade company with the ability to provide turnkey services at a national level. Ziglin Signs provides support in both new construction and retrofit applications. Our team has direct relationships with Best in Class LED Lighting Manufacturers and have a successful track record of Lighting Upgrade Projects from small businesses to Fortune 500 Companies.

ADVANTAGES OF LED

- SAVINGS: Reduce your lighting electricity cost by 55-85%
- Virtually maintenance free
- LED lasts an average of 50,000 to 150,000 hours and beyond, 5-30 times longer than traditional lighting.
- LED Fixture warranties are 5 to 10 years.
- Potential Tax and Rebate Benefits

SUSTAINABILITY:

- Helps Business achieve Carbon Emissions Commitments
- LED does not contain mercury or other hazardous materials

QUALITY of LIGHTS:

- Reduces Noise and Heat -Less air conditioning and lower peak utility demand rates
- LED photometrics are superior with the ability to custom shape the light
- Improved color quality of light (Color Rendering Index- CRI)
